To Whom It May Concern,

I am pleased to write this reference letter for Mr. Luka Fishter, who served as an instructor in mathematics under my supervision at the Naval Fleet School in Victoria, BC.

During his time with us, Mr. Fishter consistently demonstrated an exceptional knowledge of the subject matter and a genuine enthusiasm for teaching that greatly influenced his students. The feedback from his students was overwhelmingly positive, with many expressing appreciation for his engaging teaching style and his ability to make complex concepts understandable and enjoyable. Mr. Fishter's dedication to his students was evident in the unique course materials he developed and is still in use today.

Mr. Fishter possesses all the qualities of an outstanding educator. His passion for instructing, combined with his enthusiastic approach to teaching, makes him a great candidate for Teacher's College. I wholeheartedly recommend Mr. Fishter for the program and have no doubt that he will inspire and motivate many students in the future. If you require further information or specific examples of his contributions, please feel free to contact me.

Sincerely,

KUPCHAK, DANIEL 088
